

Betty LaJune Bouck Stewart

March 25, 1935 ~ February 28, 2021

I have only fond memories of LaJune and Gordon Stewart and their time in Western Massachusetts living in the town of Granby. Their examples live on in the memories of many of us who knew them at that time. Their fine boys were a credit to them. Despite being in my Blazer B class, Rodney remained active in the faith. When I received a mission call and had suits that required tailoring, LaJune applied her skills to make the necessary adjustments. If you believe the measure of life is not in the things you amass, but the lives you impact, LaJune Stewart was most successful. My condolences to her children, daughters-in-law, and grand children. May you all be comforted by the great reward that awaits her.

- Jim Demary

Your mom lived an amazing life.... Full of energy and enthusiasm!! I knew a lot about your family because of the enjoyment my parents had with your parents. My thoughts are with you...

- shauna Brooks Donaldson

I am sorry to hear of LaJune's passing. I remember her well from when I was a little girl in the Amherst Ward. She was so friendly, and I remember her smile. May you draw strength from the memories you have with her.

- Linda Corliss Hansen

To LA June's Family, Wow what a shock to learn of Sister Stewart's passing! I am personally one of those who enjoyed her delicious meals and cookies. I feel bad that I can't be with you at the services! My grand-son, Corbin Anderson, (son of Creed) is being sealed at 12:15 pm today in the Jordan River Temple. I was the Stewarts Bishop when they moved into our ward! God bless you all!! She was stalwart Angel!

- Alvin S. Anderson

Dear Friends, How fondly I remember your Mom. She was/is a wonderful person and I remember all the good things she did for the Amherst Ward. Especially in Relief Society. Our sons had lots a good times at your house, both in Granby, MA and in Utah. When I went to Utah to do family history research in the 1980s, your Mom invited my to supper. It was a delicious meal and she was so hospitable to me. When you folks lived in Granby, MA, Ed and I used to go Home Teaching to your family. One time your Mom served us hot chocolate with marshmallows floating on top. Ed tried to cut the marshmallow with his spoon, and the whole cup tipped over and made quite a mess on the floor. Your Mom quickly mopped it up and made nothing of it. She was a very gracious person. I know you will all miss her very much. Now she is with Gordon, the love of her life. Happy Day!

- Darleen LaFond

What a beautiful service and a great tribute to LaJune. I have many special memories about her and being with her. A good and frightening memory is one of Bear Lake and how confident she was in running the Bouck fishing boat. She wanted to scare us a little by turning sharply several times. It did do the job!!! We were married the same summer and the memory I have of her wedding was the fright she experienced from her male cousins who carried her outside in her wedding dress and she fainted in his arms and they laid her on the grass to revive! I loved her warm and inviting home when we met for a cousin get-together just 2 or 3 years ago. Her delicious food and graciousness was so welcoming. I love her still!!!! Evelyn Gibbons

- Evelyn and Gene Gibbons

The Service was so nice. She is so proud of her wonderful boys and their families. I only wish that I could have seen all of you in person/ I love your Mom. LaJune is truly a wonderful person who Loves the Lord and is a great example to all. she has a great heart with a desire to help and bring joy to others with her talent for baking and doing dinners at a beautiful table setting. It!s a wonderful feeling to know she and Gorden are tpgether again. You all are in my thoughts and prayers Love Donna Mae

- Donna Mae Breitling

We feel so blessed ti have known and lov ed La June for the duration of the 43 years of her life in the Olympus 7th ward. She was so classy, but above all she was a genuine friend. She was happiest when she was serving others. She had many talents and gifts which she graciously shared in lifting and blessing the lives of all who knew her. One of my treasures is a hand-written note written with her arthritic hands on her beautiful hand-made stationery. We love and miss her dearly! Sandy & Marvin Van Dam

- Sandy & Marvin Van Dam

I watched the beautiful service for Aunt LaJune. It was so sweet. You have my sympathy on the loss of your mother!

- Mary Ann Obremski
