Darwin: Our thoughts and prayers are with you and your family at this trying time. We love you and will miss Judy’s infectious smile and loving way. May you feel God’s love as you gather together and celebrate her wonderful life. We miss seeing you! With Love

Judy was the favorite Aunt and I am so glad we were able to see her last month! I loved spending time with her as her laugh was epic and contagious. Always good for a piece of candy or a slightly edgy joke, Judy loved life and life loved her right back. We share our love and peace with all who knew Judy and ask for The Lord's comforting hand as her life and influence are honored and celebrated.

Darwin, We are so sorry to hear of Judy's passing. We so love you both! We pray for the Savior's peace to be with you and your family. You are such a great man and friend. God bless, Paul and Lisa Salisbury

Judy and I met and were room mates at Ricks College in Rexburg, Idaho the fall of 1959! We were both Freshmen and hit it off immediately! Our friendship over the years was deep and tight, even though after college we lived in different places we never lost touch with each other! She was one of my dearest and most fun friends and sisters! She brought fun, laughter and love to everyone she knew! Thank you Judy for our fun and enduring sisterhood and friendship! We'll meet again and share our laughter, lives and love!
