

Carma (Smith) Summerhays

May 26, 1939 ~ August 21, 2021

We will miss Carma's smile and love of her children. Her style and love of life and her example of a happy marriage. Mostly she will be missed for her sweet quite spirit. Her grandchildren and great grandchildren will deeply miss her.

I was always delighted when I was paired with Carma to play golf. She was a skilled golfer and I had the joy and privilege of playing with her when she got one of her hole in ones (Lakes #2 at Hidden Valley). She was bright, funny and a delight to be with.

Aunt Carma was so gracious and kind. She always opened her home for large family gatherings and I have so many fond childhood memories of playing with cousins there. She was strikingly beautiful too. As a child she seemed almost like a movie star to me. I am so sorry for your loss!

I send my condolences to the Joe Smith family. As the youngest grandchild of George and Mae Smith, I spent many happy hours at the Smith Family Parties when I was younger. Never have I found another family as tightly knitted as the Smiths. Carma was a few years older than me, but she always took the time to see that I was having a great time at these parties. I know she is in loving arms now, free from pain and discomfort. I can almost hear her dad's laugh as he embraces his little girl again. Rest well Carma, and I will see you at the Smith Family party in heaven on day.

She was my cherished and best friend. I will miss her terribly. We shared so many good times as couples , we shared girlfriend talk and always our birthdays. I didn’t see the obituary until Sunday. I’m so sorry I miss the funeral. I wish her beautiful angel wings and my deepest love

Sending our deepest condolences to you and your family Brad and Neil. I know our mothers enjoyed golfing, Ladies day, cooking and fashion. Your mom always smiled and laughed a lot which is a nice memory. Denny too. Both enjoyed an active life and leave a legacy in Draper. May the peace of Christ be with you today and always. Sincerely, Paula M.

Carma was such a wonderful person and I have great memories of all the times at the Summerhays home. You were a lucky person if you spent time at the family pool, asked to stay for one of Carma's home-cooked dinners, or

included on a Summerhays boating or hunting trip. Carma (and Denny) always made you feel like one of the family. Denny, and Lane, Pam, Neil, Brad ... wishing you peace and comfort at this time and all the days ahead.

Denny and family. So sorry for your loss. It's been a number of years since the "old gang" was in touch. But I remember Carma well from the days of the Wardley Real Estate office and her visits. She had a great sense of humor and was always fun and gracious. You and your family have my deepest sympathy! Best regards, 'your old secretary' Sandy Redding.
