

*She's in the sun,
the wind, the rain,
she's in the air you
breathe with every
breath you take.
She sings a song of
hope and cheer,
there's no more pain,
no more fear.
You'll see her
in the clouds above,
hear her whisper
words of love,
you'll be together
before long,
until then,
listen for her song.*

In Loving Memory
