I think we have all been blessed with Sally in our neighborhood. I have very good memories of her kindness and participation in church and community. She will be greatly missed.

I loved Sally just as I love my own Mother. We moved to Sandy my senior year of high school and I basically lived at the Ballstaedt home my whole senior year of high school. I was very grateful that Sally opened up her home to me like one of her kids. She was fun to do things with or just sit and visit. She’s been alone without her honey Dwayne for many years. What a glorious reunion it must have been. I love you Sally . I hope you’re at peace and out of pain.

I will always remember Sally as a kind and happy person. My heart goes out to her entire family.

Baldstadt Family—Dave and I were great full that Ginger had somewhere to stay in town when we moved to Sandy in the early 1980's. Sally was always making something yummy. The first time I ever tasted Augratiin potatoes was at Sally's and they were delicious. Thanks Sally for all you taught us. We love you and your family. From the Dave Quinn Family

Ballstaedt Family, I have so many fond memories with Aunt Sally, both in her home and at Great Grandma Ferns. Both of them (Sally and Fern) taught me to crochet, which I still do to this day. I'm honored to be part of her family. Crystal Christison Collins (grand-daughter of Ted Christison (Sally's Brother), Oldest Daughter of Brent Christison)
