Glen Montrose Bowen

October 29, 1960 ~ February 23, 2020

I don’t know if you’ll get this, but I’ve been thinking about Glen’s passing and still in shock. A youth in Ann Arbor, I knew your family a bit and then we sure needed Dr. Bowen’s help immensely when my fiancée was diagnosed with melanoma. Glen was always so helpful, kind and had a big smile on his face when we’d see him at the Huntsman center. Unfortunately, my husband passed away from melanoma but had a good fight thanks to the many doctors and nurses at the Huntsman. It looks like it’s been almost a year since Glenn’s passing and I just want to send my (late) condolences hoping his family will know he’s remembered and missed by others too.
