

YOU NEVER WALK ALONE

You never walk alone in this life you live:  
You never walk alone for God will surely give.  
All the strength that you need to live a life of peace.  
And the blessings of the lord will surely never cease.

You never walk alone as on through life you trod.  
You never walk alone for you are a child of God.  
You are precious to your savior, your Master and your king.  
And for the love he gives to you your heart will surely sing.

You never walk alone even when death is at your door:  
For Christ will surely guide you safely to his kingdom shore.  
And in this kingdom you will dwell in the masters care.  
And all the glory that is his you will surely share.

So please remember as you live and walk upon this earth.  
You've never walked alone even from your day of birth.  
For Christ has always been by your side taking care of you.  
And if you look back over your life I'm sure you'll find it's true.
