Dear Graham and family, It has been such a pleasure getting to meet and associate with you and your family. What an excellent example you set for showing love and compassion to your dear sweet wife and mother. We all admired you in how you cared for Elaine. Please accept my deep felt condolences at this sad time. We love you. Summit Vista resident.

I am so sorry to hear about the passing of your sweetheart, and mother, even though you knew that she could not regain her youth in this life. My prayers are for you and your family, that the Lord may give you the peace and comfort. that you need and surround you with the arms of his love. As you know, the change that we call "death" is actually the beginning of Eternity. And those who have lived a righteous life, doing their best according to the light and knowledge that they have, have no need to fear. Sweet Elaine is free of her mortal body, which had become a handicap to her, and now her spirit is very much alive and alert and she is able to dance again in the sunshine of Heaven. May God be with you till you meet her again. Yvette Longstaff
