
John Edward Timmons

March 20, 1935 ~ August 9, 2020

I love his Airforce picture. He looked like a teenager, and so handsome. He was always fun to be with and funny. So sad. He will be missed very much by all.

John and Marilyn were a wonderful couple! They were so full of fun! My favorite memory is from a talent show at church when he donned outrageous clothes and made a hilarious used car salesman pitch. I laughed until tears came. John was a loving husband and a kind friend. I feel fortunate to have known him. May you all be comforted with happy memories.

Dear Timmons, I’m so sorry you have to lose your Dad and Grandpa. He lived a great life and I’m sure you will all miss him very much. I’m happy I got to know him and Marilyn. And I’m also happy that’s they are together again. May you feel peace and comfort from the only Source which can give that. May you feel of his spirit as you remember so many fond times. With Love, Wanda Brown.

I am saddened at John's passing. He served very well as an Elders Quorum President and later was Executive Secretary. I have experienced the generosity of JOhn and Marilyn, as they cared for our children at the time of my own fathers death. Always faithful, always loyal to the Gospel.

What a character John was. We enjoyed talking with him and he was such a tease. You will be greatly missed, but we are happy you are reunited with your wife. Love Sean and Debra
