Delbert Lee Hansen

April 28, 1931 ~ June 11, 2016

Lee Hansen and I served in the same section aboard the Yorktown in fighter squadron VF24. He and I became good friends and went on leave and liberty many times together. We had a 3 day pass once while Yorktown was in Port and road a train up to a military retreat hotel just a few miles from mount Fuji. I have several pictures of Lee in uniform while we were on liberty and aboard the ship that I'd like to share with family if possible.
