Our prayers are with you Peggy and were glad dad was their to welcome you home.

- Rick, Randy and Shannon.

I had the pleasure of working with both Peggy and Todd way back in our Albertsons days. Peggy was incredible. Such a hard working, dependable person. Peggy made sure we all understood who was in charge of the bakery. She took such pride in her work and was so kind to our customers. My sincere condolences to Todd and the rest of the Bogenschutz family. Please know that there are many of us that feel Peggy made a difference.
