Phares Thomas Horman

April 22, 1928 ~ March 13, 2019

I want to thank Elder Horman, he and his companion changed my life before I was born. My husband's grandparents were some of the first converts in France after the war. Their names were Joseph and Jeanne Armand, their daughter, my mother-in-law has been a wonderful example to me and one of the reasons I joined the church. I'm grateful for his service and commitment to the gospel. His actions are the reason I'm here and my 4 boys served missions.

Nov 6 2026 Dear Horman Family I am writing to express my deepest, lifelong gratitude tfor the incredible generosity of your father and grandfather Phares T Horman. In the early 70's I was serving a full-time mission for the the Church of Jesus Christ of Latter Day Saints in the UK. For most of my mission I had financed it myself but during a period in the latter part of the two year mission I experienced financial hardship and Phares stepped forward and extended financial the assistance I needed at the time. More than 50 years have elapsed since that time, but I have never forgotten his kindness, His Christlike charity not only sustained me during my mission but it also left a permanent mark on my heart. I served from May 1971 until May 1973. Though many years have passed since his passing in 2019, I wanted to reach out and express my heart felt appreciation for his great kindness. Yours sincerely, Robin Grey United kingdom Former missionary in the England North Mission. email: robin@alpineartinc.com
