I’m sending so much love to all the family. I’m so glad the cousins have been in touch and were able to enjoy group chats and FaceTime across the geographical distance between us. I have such fond memories of times together in Vilonia as kids and a more recent visit as adults. I know Jim is now at peace with the Lord.

My sincere condolences for the family of this awesome person. I am so blessed that I got to meet and take care of Jim while he was in ACVU at IMC. He was a great guy, so polite, so easy going. Rest in peace Jim. It was such a pleasure to meet you.

To the Family of Jim Dallas, We are so sorry for the loss of your husband, father, and grandfather. May your fond memories of him ease your pain at his passing. He was so kind to our father and mother, Max and Eve Robinson when he visited with them. Jim was a pleasant, happy person whose financial knowledge helped our family. He was introduced to our family through Ruth's parents, Garr and Faye Curtis. Our parents greatly appreciated their friendship. Our love to you all. What a wonderful man. I so trusted him and loved him through the years. My father introduced me to Jim several years ago. He and my mom truly thought the world of him for many years until their passing. With such sorrow I send my condolences to his family. May our Heavenly Farther bless your family with the love of knowing you will all be together again. Much love to you all Julie Dille

Jim and I both grew up in Fillmore, Utah. We were in the same class and graduated from Millard High School in 1967. Jim was a really kind person and very popular in my high school. He was elected as Student Body President and did a really good job making everyone feel welcome. This is a great attribute for anyone to have as we see so much bullying in schools these days. It is good to have a leader in your school who sets a good example of acceptance and kindness. Jim was also very intelligent and was quite involved in school activities in addition to being popular with other students. We both went to Brigham Young University our freshman year and I saw him on multiple occasions there. I lost touch with Jim after that but discovered that he graduated from the University of Utah and I graduated from Brigham Young University. I am so sorry to hear of his passing and send my condolences to his wife Ruth, his children, and to his two lovely sisters Mary Lois and Sue Ann. I grew up with the

entire Dallas family and appreciate and admire all of them. I am sorry about the loss of your husband, father, grandfather, and brother.

- Bonnie Huntsman, cousin of Jim Dallas

We are sending prayers and love to Ruth Dallas & family. Jim was always so kind and interested in our family whenever we visited the Willow Creek ward. What a happy reunion it is for him and Ginger (and other family).

I first met Jim Dallas as he came to the firm where I had been employed for several years. He impressed me with his attitude and felt his sincerity in learning the business. As I worked with him he began to teach me how to treat others as he learned and gave back. We became good friends and we fell in love with their family. We enjoyed getting together for lunch or dinner even when we both retired. We are already missing you Jim. Thanks for your love and friendship. Our sincere condolences to Ruth and the family.

Dallas family, (Tyler), We're so sorry your father has passed on. This is one of those difficult times in the eternal timeline. While it can sting at the moment, understanding God's plan softens things with time and with an eternal understanding. Love, The Pettit's

Dearest Dallas family, My heart and prayers are with you, the beloved family and friends of Brother Jim Dallas. While nothing can erase how we miss those who cross the veil before us, we can rest assured that they now abide with our loving Heavenly Father, and Savior Jesus Christ. While I didn't have the privilege of meeting this good man, I was certainly blessed with the opportunity to meet his son, Scott. Knowing what a good example he has been to me, bringing the Gospel to me 20 years ago, it's clear to see what a great example he has been to Scott, his family, friends and acquaintances. May you all continue to be blessed and comforted by the sure knowledge and comfort of the Holy Spirit. With my deepest condolences and my love, James "Jim" Stahl
