So sorry to hear of Kerry's passing. When I heard, a smile came to my heart thinking back to the times in grade school, junior high and high school. You will be missed God bless you

I am sorry to see him go. He was a great guy. Liked to joke around and make people happy. He was an example to us all.

Karry was a funny guy he was our home teacher he would always have candy in his pocket for the kids!!! He was a good man. He always had a smile on his face. He would light up the whole room. He will be missed by. condolences for his family. May the Savior be with you always.

Taught him how to fall down when riding a bicycle! We built 3-story tree houses when we lived in Portland, Oregon. We rode skateboards from 1962 to 1967! Played football in Oregon and Utah in our backyards. Went through loosing our Mom when he was 12 and I was 17 in 1968. Believe it or not he actually had curly hair and was skinny at that time! We exchanged a hug in the hospital a week before he passed on. Kerry's back in the arms of his Mother and father on the other side of the veil! What a happy re-union!

How can you forget Kerry. He was a friend of my son and a neighbor. He and Keven tried to scare my daughter while she was baby sitting their neighbor’s kids.They didn’t know the alarm was set at the house. Thy ended up at our house pretty quick. Just good fun and fond memories. Kerry will be missed. Sending prayers and sympathy to the family.
