It is so wonderful to celebrate the life of Lois! Mahalo Teddie for bringing her into our lives. Your warmth, kindness and generosity tell us more about Lois. Our prayers for you and your family! Aloha! "Irrespective of age, we mourn for those loved and lost. Mourning is one of the deepest expressions of pure love. It is a natural response in complete accord with divine commandment: “Thou shalt live together in love, insomuch that thou shalt weep for the loss of them that die.” (D&C 42:45.) Moreover, we can’t fully appreciate joyful reunions later without tearful separations now. The only way to take sorrow out of death is to take love out of life." (President Russell M. Nelson)

What a TROOPER you have been, Lois! You made your goal of living so well and strong past 100 years! And Teddie has been such an angel daughter to help you get to that goal. Congratulations! I look forward to a great visit with you when my turn comes. With love and encouraging wishes on your continued learning journey. Hope you meet some of my family there! Excited for YOU, your sister, Sharon Stevens

Such a wonderful Lady. Lois was well cared for by her daughter, Teddie. My heart goes out to the family during this solemn time. Lois was such an inspiration to us all. Every time I saw her she was so upbeat, friendly and shared with us her lively personality. I feel such honor to have known you, Lois, and have such admiration for you and

Teddie. As the days continue forward, may all be well for those you loved and now leave behind.

Teddie, You had the cool mom...not only cool but warm and loving. She seemed truly caring. She and Her darling sister Jonnie were so nice to me and your other friends; putting up with our silly ways. We havent really connected much for years but, reading the other tributes; I realize that you have gone through some difficult times watching over Lois these last years of her life. Im so glad that she had you around for her and I hope that gives you comfort. You're the best, Sincerely, Barb
