

Otto Max Stoß

February 13, 1928 ~ July 13, 2020

I remember Otto always washing and polishing his car. It was the best looking car on the street. I also remember playing with my cousins in the backyard. We would play password or cards and Otto would be there with us with a cold drink making sure we didn't get to crazy and break anything like kids do. Living next door recently I loved seeing him weekly as I went to visit and get a hug. Hearing stories about Germany and starting their life here. I love you Uncle Otto! Until we meet again. Many memories of breakfast, lunch and dinners at Little America and at home I will always cherish. Special trips to Las Vegas to share Otto and Margaret’s 50th wedding anniversary, and the look on Otto and Margaret’s face when we surprised them in Vegas on his 75th birthday was priceless. Memories of Christmas Eve with the best Rouladen dinner ever, with Joshua, Danyelle and Jason will always be special in my heart. We would open Christmas Eve presents and Otto and Margaret would tell us stories of when they were in Germany during the war. Otto lived life, he never stopped. He was a a wonderful Father In Law to me, and was always loving to Joshua, Danyelle and Jason. He loved Margaret and took care of her with respect and always opened her car door. His love for Ronnie and Rita showed with his helping hand. When ever he won in Vegas, which he did often he shared with his children. Otto’s devotion and love for his family showed in his many trips to Oregon to be with Rita, Stan, grandchildren, and great grandchildren which he adored and loved. Otto was an amazing man and drove until he was 92 years old. On Father’s day this June we had dinner at their home. After dinner I found Otto writing in his check book to take care of some of his bills. I asked him if he need me to help him and he said no, That is pretty amazing and shows his strength and determination. He died after only being in a hospital bed for 4 days peacefully. With Margaret saying goodnight to him around 12:00 at night. Ronnie stayed next to him in their recliner and around 1:30 am Ronnie noticed his father had peacefully passed away. We will miss you Otto, and thank you for being good to me. Love and God Blessing, Diane

We want to send our Love and Condolences to the Stoss Family for the loss of their loved one! We had some fun times with Otto and Margaret reminiscing about family and things we did together on different occasions. We will miss him! With love, Sonny and Elke.
