N. Clark Stringham

June 7, 1939 ~ September 3, 2019

Hi Barbara. I use to be Clark’s hairdresser. I moved back you Utah in October of 2023. One day you and Clark piped into my mind. So I googled Clark and saw his obituary. My heart was so heavy with sadness at his loss. I hope you are well. I’m sure your life is very different without Clark around. I will always think of you both with great fondness. Always Lori
