I met Lee in the early 80’s at the Moliter Lanes where he was running a pool tournament. Lee was very friendly and we hit it off right away. We enjoyed many hours of shooting pool, conversations, late night dining at LaTarras and of course tipping a few drinks. I greatly enjoyed Lee’s company. I traveled frequently with my work but never missed an opportunity to stop and see Lee when in SLC. We stayed in contact with phone calls and sports bets every few months since we met. I will miss my friend greatly. My condolences go out to all his family members that he loved and talked about frequently. My God place Lee in a special place. I look forward to meeting up with Lee again.
