

Douglas Robinson Blackhurst

June 28, 1958 ~ July 3, 2020

As everyone else, I was greatly shocked to hear about the deaths of Doug and Elaine. They were long members of the Crescent 23rd Ward and neighborhood. Some of my children went to church with some of their children. We felt a great loss. I hope that the Spirit of our Lord and Savior will wrap His arms around you and your children. May you and your children will remember how they lived more than how they died. Bless you always.

They were such wonderful people. Ellen Frost just told to today. I am saddened. No words express the loss of these wonderful people.

I am so sad about this whole accident. I was at Bear Lake last week remembering when Doug stopped to talk to me. He told me he was in the Tabernacle Choir, and from then on I looked for the tall guy on the back row. He was in my very first class when I was a brand new teacher just graduated from the "U." I'll never forget that class. I love all of the Blackhurst's. You were one of the special families at Mill Creek. I had Doug, Leslie, and Mason, and your dad was my docent for the symphony when we used to take the 5th graders. Your mom was always so sweet, and I'm sure it's comforting to know she's with them now. I didn't have Janice, but my brother, Shand, talked often about the fun you used to have in the Young Adult program. I'm so sorry for your loss. I can't imagine how you feel. My thoughts and prayers are with all of you. Odette Waddoups (Miss Waddoups)

To the brother and sisters of Doug. We are so sorry to learn of the plane accident. You all grew up next to us. I remember the fun family parties you had in the back yard. Doug always visited with us when he did yard work for your parents. We will miss him. Our thoughts and prayers are with you. Love!
