Kerry was a wonderful person, kind and wise. He was dignified and fun at the same time. He was a dedicated bishop. My sincere condolences to Teresa and the whole Adams family.

Kerry was an amazing man. He was always there with his toolbelt and carpentry skills to help me whenever needed. He had a wonderful smile and sense of humor and it was a joy and honor to call him my friend. Behind every great man there is a fantastic women. Teresa you are that woman and I thank God every day for your friendship.

We met Kerry Adams in 2018 when we moved to Terrace Falls. Our son, who had helped us move, was also repairing some chairs in the shop. And the shop was Kerry’s bailiwick. He loved to work and to serve. We also remember meeting him and his lovely wife at the movie night which they faithfully organized. As we learned more about this remarkable and talented man, we looked and wondered at his abilities. Not just in his vocation, but also

his avocations. He had many, but the major ones were woodworking, like all the beautiful work he did with his son Ben in his home at TF, also all the service to the Church of Jesus Christ of Latter Day Saints, service to others and family. He excelled in all. He loved his wife and children. And His love radiated in his smile. He loved his church accepting any calling and giving it his all – even if it were passing the sacrament. He just loved serving the Lord. And he loved serving his neighbors and friends. Just look at the shop and social room kitchen at Terrace Falls. Most of that work was his. He left a firm foundation for us to build on. Kerry Adams – you are loved and will be missed! Until we meet again ■■■■■ John and Lety

We send our love and condolences to Teresa and family and to Kerry's sister's and brother and family. We knew Kerry had been suffering from Parkinson for quite a while but he seemed to not let it slow him down if he could help it. The last time we visited with him was when he came to Hurricane to bring us some copies of the CD's he made on his and our ancestors. He was very willing to share these CD's with us. WE know that Kerry will surely be missed by his family. He will alway be remembered as a great husband, father, grandfather, brother nephew, and friend.

Kerry and Lee drove to the DC temple from Richmond for several years. Lee always spoke highly of Kerry's strength and character. I positively adore the picture you have shared of him with the cowboy hat! He's a fine man who I admired! My tenderest wishes for peace for your family!
