

Alan Edward Wright

April 2, 1957 ~ February 10, 2022

I am so sad to learn Alan passed in 2022. We were friends and I cared for him. I lived and worked out of state at the time he passed and was unaware. I would like to visit his grave. Would you share the location of his grave with me please? Thank you. Email: saltcitysue@msn.com in
