I'm so sorry for your loss. Abe truly was one of a kind. I never heard a negative thing from him, always optimistic and up beat. He was very kind, friendly, never judged, helpful, and very very giving. He really was a great example of how everyone should be. We will all miss you Abe. Rest in peace my friend.

I met Abe for the first time in January and I vividly remember thinking, that is a kind and wonderful young man. I could tell right off the bat, he was genuine and loving. I thought to myself, Sam, you did a good job with that young man. I could tell by his countenance and his personality Abe was special. Heaven needed a special Plumber. We love you all. Dear Sam and Maryanne, I'm very sorry about Abe. i couldn't come to the viewing tonight but I'm glad Jake and the boys could go. We'll miss seeing Abe at the barbeques. My mom told me to tell you both tonight that she sends her love and condolences to you. I would have delivered the message but my son was running a fever. Dear Sammy and family, Our hearts are filled with love and prayers for you and your family. Losing a child leaves such a hole in your heart, but knowing the peace your loved one is experiencing in heaven makes it a little easier to bare. Reading about his life and character does not surprise us because from the time you were small, you were a kind, caring boy. Your son followed in your foot steps. We remember you! Bless you and your family through this tough time of loss. We send our love.
