One of the funniest, most honest people I have ever had the pleasure of knowing. I'll always remember all the times we had together. Thank you max

- Ben Solen

I recall Max being such a capable kid, with a quiet confidence that made him seem older than his years. He was always very sweet with my children. I send my deepest condolences to your family.

I'm just devastated by this news. Most of my memories are of camping and adventuring with him. My son's first river trip with Max, floating the White River. Getting eaten alive by mosquitoes and playing Uno. I still think "slam a cow" is a bullshit rule, but it's permanently adopted now. I remember at Flat Canyon camp on Desolation. I was looking for a good piece of wood to carve. Max spent 45 minutes whittling down a piece for me. He came running up the trails, so excited to deliver it to me. That was the kind of kid he was. I remember him leaping out of the woods in a hockey mask with a toy chainsaw at the climax of one of Tim's ghost stories. Sitting around the campfire watching him gain the confidence to play guitar and sing to the group. He was a great kid, and the world is diminished in his absence. All my love to Tim, Tiffin and Penny. I'm doing river 360's in his memory forever…

We made so many great memories with max as a friend. We are so sad we can’t make more great memories together. He always had a smile on his face and put a smile on ours. He was kind, and always willing to help someone else out.

I'm saddened to hear of his passing. I pray that you will all have the Comforter as your companion in these difficult days ahead, and may you feel the love and peace from all of us that love you and especially from the Lord. ■■♥■ Byron and Shauna Goodwin

Tiffin, Tim and Penny: I am crushed by this incredibly sad news and am so very, very sorry this has happened. Max will always be a pillar in your family. There will be a lean where the hole is for a while but I know the 3 of you are very strong and will hold each other up. Your family held me up when I needed it so I know you will come through this, tattered but whole. There will never be another Max, a wonderful human thanks to his wonderful family. I share your tears. Mary Parker

Max was in my daughters class, and my sons scout group. I spent countless hours with Max at Wasatch Elementary- he was kind, loving, and joyful. My thoughts and prayers are with your family. Beautiful soul.

I have know Max since Kindergarten at Wasatch. I was devastated when I got the email from West about his passing. My kids Maya and Thomas have gone to school with Max at Wasatch, Bryant, and West. I am sorry that I can’t attend the service on Friday, but I am taking a group of scout to Bear Lake to Bike the Bear (50 mile race on Saturday). You guys have been in my thoughts since I heard the news..

Tim, Tiffin and Penny, we are so, so very sorry for your loss. I wish I could offer some words to help ease this pain. We know how much you loved Max. He will be missed. We love you and are thinking of you. If there is anything we can help with, please let us know.

I was in a friend group with max from middle school and we all fell off at a point but me and Max managed to stay in connection through one way or another and I couldn't be more thankful that I got to know him while I could. He was my first friend that knew anything about cars and someone I bonded with in taste in music. He even at one point helped me get my abandoned Lincoln back home one night and I couldn't have been more happy and I realize that max was the only one who would've done that for me. I take for granted the moments I had with him and wish I could have him back here with us now. He truly cared for me when a lot of people didn't. But now he's gone. And I'll never have that back.

Dear Family of Max, Our hearts are with you. Max spent some time at our house along with a pack of other teens who are here often. For all of our teens, the past year and a half has been a struggle - and all of us parents- we see ourselves in you. You do not know all of us, but we all know and share the pain of your loss. We are here for you.
