

Michael Duane Maynard

June 14, 1952 ~ April 27, 2021

Gone too soon! Michael you were always a good friend. You treated everyone with kindness and respect. Have a wonderful reunion with your parents and friends who have gathered to greet you at home. I will look forward to seeing you when I get there. Rest in peace! And much love to the family left behind. Hugs!

Such a sweet, kind & gentle man. Steadfast in his faith & had a fun sense of humor. Very loyal and interested in many things. He loved to dance & we did many, many times, especially the waltz,but the polka was his favortie. His love of nature and God's marvelous creations was always evident, as we hiked and hunted and fished. He loved to help, taught me to drive a stick on the column. Taught me to shoot, and hunt. Praying for God's greatest comfort for his family, he left way too soon. Farewell Michael.

I had the pleasure of being Mike's Home Teaching companion for a number of years. Mike was always willing to make regular visits to our families, but he did much more than just visit. He would follow up with everyone and take care of their physical needs such as yard care or home repairs. Mike always had a story which was followed by a joke, told with his dry sense of humor. He was one of the most soft spoken, humble men I've ever know. I appreciate the opportunity I have had in getting to know Mike. Our family's thoughts and prayers are with the Maynard family.

I am so sorry to hear about Mike’s passing. He was always so fun to be around. He was so kind whenever he came to visit the Morton home. He was an example of Christlike love to all of us. So thankful for the plan of happiness that families can be together forever. He is having a wonderful celebration with his parents!❤■

Always great fun to be around, I remember a water fight that started in side the house and grew in size and fun as time past. Thanks for sharing your big heart with use all.

So very sorry for your loss. I so enjoyed sitting by both of you in Sacrament and felt like Mike and I loved joking. I will miss him but know he is finally free of such a horrible disease. You are such a great lady and have so much faith that I know Heavenly Father will always be with you. You two are so special to me. You have been such a special friend to me and know you will be blessed in all you do. Love you.

Mike will truly be missed, my condolences go out to the family and friends that knew him best. He and I share a common trial and we spoke over the course about it. He was ready to meet those on the other side. I know he is in the welcoming arms of his loved ones. Thanks Mike for all you've done for me, seen or not, I know you have my back. Love you man, Jay Sherrow.

When we moved into our home in Riverton Mike & Virginia were the first to welcome us there. Without an invitation, they stepped right in and started to help us put things away in our home. Since that time they have been cherished friends. Mike and I spent many hours as he taught me DOS and other computer stuff as well as thinking up things to make. We will miss him and await the time o see him again on the other side of the veil. Our deepest condolences with heartfelt prayers go out to his family. We love you!
