

# Let Me Go

When I come to the end of the road  
And the sun has set for me,  
I want no rites in a gloom filled room.  
Why cry for a soul set free?  
Miss me a little, but not for long  
And not with your head bowed low.  
Remember the love that once we shared.  
Miss me, but let me go.  
For this is a journey we all must take  
And each must go alone.  
It's all part of the Master plan,  
A step on the road to home.  
When you are lonely and sick at heart,  
Go to the friends we know  
And bury your sorrows in doing good deeds.  
Miss me, but let me go.
