My dear Tammy, I was so saddened to hear about the passing of your Alan. I wish I had known before the viewing so Chris and I could have come to give you our love. I consider you such a beautiful woman of faith and talent. You and Alan have raised a wonderful family. My prayers are for each of you as you go forward. I know the lord will bless you with peace but I also know it can be a very difficult time. Please know I will be thinking of you through the coming months. My love and forever hugs, Shirlee Hansen
