

Beloved Father  
By Julie Thurman

Free from pain  
And a heart full of love,  
Looking down on us  
From Heaven above.

Our hearts will be breaking  
For who knows how long,  
We know you're still with us  
Even though you are gone.

Our love is forever  
We all know it's true,  
But we still can't help it  
We all feel so blue.

Things won't be the same  
Without you here,  
But we need you to know  
We will always hold you so dear.

Grandpa  
By Julie Thurman

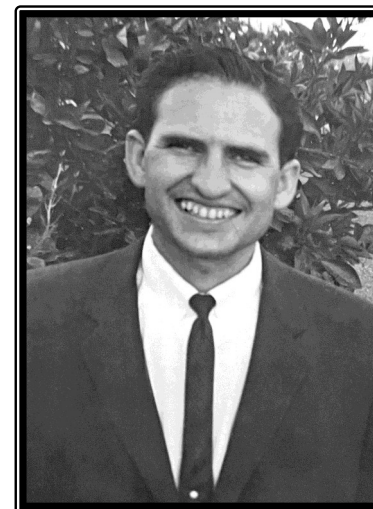

I liked to walk with you, Grandpa,  
Your steps were short like mine  
You never said now hurry up,  
You always took your time.

Some say our walk has ended  
I don't believe it's true,  
We'll be together shortly Gramps  
I'll be back with you.

So put your hand in mine, Grandpa  
Help me find my way,  
You know how much I love you, Gramps  
I'll see you again one day.
