

Ann Condie Brenay Merrill

August 2, 1947 ~ December 31, 2024

Dear Condie family, At last Ann can be herself once again, not plagued by the ravages of mortality. I am sure she and Hyde are having fun getting to know the rest of the family on both sides! I am thankful to know that life definitely goes on beyond death and that there is much joy ahead for Ann! She did a tremendous amount of good with her work for Family Services, but I did not know about her tennis talents until I read the obituary - Bravo! Those are just some of the talents she has taken with her! With sincere condolences to her children and the Condie family, Barbara Jean (Merrill) Cruikshank
