Anthony is a good friend with a heart of gold. Everyone love him here at Stockton12 Honda and I will always remember you brother. Rest In Paradise my friend until we see each other again.

- Oscar Santos

Anthony was a great friend and coworker. He would always ask about your day and crack jokes with you. We would often have talks about the future and how we wanted to shape it for the better. Anthonys end goal was to become wealthy so that he could help the less fortunate. I will always cherish the memories we made together. Rest in power, Anthony.
