

In Loving Memory

They say time is all you need (not so true).
Sadness has fallen upon the earth.
You're gone, but never forgotten.
The love you have given us,
the happiness we shared in your last moments.
We will hold onto forever.
You graced us with all you had,
never said anything bad,
your heart was so full, now ours are too.
Love kept you here,
until you were ready,
now love has sent you home...
