Words can not express how much my heart hurts to know that you are gone. I will forever hold the memories of you with a smile, sweet niece. Thank you for all of the laughs we shared over the years, especially at Lagoon and Raging Waters and for ALWAYS showing me love. We love you beautiful Lexi and will miss you greatly. Give our sweet Grammy a big hug from ALL of us. RIP

Fred and Pauline, We are so sad that Alexis is no longer with us. Lori, our daughter found out first and let us know. We remember Alexis playing with Lori all day. Our prayers are with you at this time. You will see her again. Love, Greg and Susan Bingham

Alexis was such a dear childhood friend to me. As next door neighbors we were constantly together. She will always hold such a special place in my heart. My thoughts and prayers are with her family, especially her sweet babies.

I feel so lucky to have met Alexis. I am so grateful I could call her my friend. I will cherish every moment I had with her. She was a light in my life, and I will always be a better person for it.

I was a loyal client of Lexi's for probably 7-8 years so we had a lot of time to talk and laugh for our monthly therapy session. My daughter even started going to her and they really connected on so many levels and were the same age. I remained loyal to Lexi because she was the best at what she did. She would not compromise on her services, which is part of why she went out on her own. She was a perfectionist and so much fun, so I drove past many other waxing places to drive over 30 minutes each way for those reasons. My daughter and I are shocked and devastated by this news. We are so sad for your family, especially the Lily & Dakota, my little Girl Scout cookie providers. All she talked about was those girls, Ricky and her Mom. Our thoughts and prayers are with you.
