

Barry Gail Mortenson

November 28, 1942 ~ April 10, 2022

Susan, I’m so sorry to hear of your loss. I hope you are somewhat comforted with the knowledge we have but what a broken heart to separate for a time. What a great man Barry is. My memories are of a hard working, deeply faithful, meticulous yard and home keeper and one half of a power couple❣■ I appreciate the service you both gave to me and my family through achievement days, bishop, Stke Pres, young womens, and just being kind and great examples. You and your family are both in my thoughts and prayers during this tough time. Lots of love- Susan Strong

- Susan Strong

I am so sorry for your loss. Brother Mortensen is in internal rest with no more sickness and pain. May he rest in peace until that glorious morning of resurrection. My deepest condolences to sister Mortensen. Love and prayers, Naomi.

Susan, We were certainly saddened to hear of Barry's passing. Sorry that we have lost touch with you and Barry over the many past years but our memories are still very vivid of our past friendships. We still treasure a picture of us all together at Stone Mountain in Georgia. He was a good friend in Morgan and we enjoyed our time together as classmates, both Lynne and I. We hate to miss the viewing and funeral but we will be out of the country. Please accept our sincere love and condolences. God bless! Rick and Lynne
