Awful sorry to hear about that She will Be missed

- Drew black

Cat will be missed dearly. She was such a good friend to so many. She often selflessly shared treats, snacks, and lunches with me on my busy procedure days when I didn't have time to get anything for myself. Her unique role will be impossible to replace!

- Logan Dance, MD

A lovely person at work, I will miss her a lot especially in the mornings when she greeted me with that characteristic smile.

- Jorge Zorrilla

May the Lord comfort your family. My prayers are with you and them. Stunned when heard the news of you moving on. Very glad that I saw you and Scott before this happened. Your smile always brightened my day. I still wish that my hair looked like yours! I will see you again.

- Barb

It was with shock and sadness that we learned of Cathryne's passing. It seems very unfair that this could have happened at such a young age. Our hearts and love go out to the entire family.

- Nancy, Jim, Alexis & Lindsey Kelly

I will miss your sweet face, and loving personality. Love you Cat!

- Kristina Francom

We love Cat so much! Our Saturday mornings won't be the same without her. She was so good to us and we will miss her very much. We are so sorry for this devastating loss. Love, Brad Burt and Amanda Jones

- Amanda Jones

Dearest Family, Friends, and all those who love her dear, I wish that "I'm sorry" was enough. I wish I could reverse this for you and intervene. So hard, so sudden, so unfair. Cathryne, (Cat to me), is one of the most kind, sprite and friendliest souls I've ever met. She is so appreciated and loved. Travel safe, you beautiful spirit. Until we meet again. ■

- Krystle Bushman

We are all so sorry to hear about Cat's passing. Her and Scott's Sunday visits were something we all looked forward to. Cat had a warm and kind personality that brightened the day. Appreciate the support and kindness over all the years. She will be missed terribly.

- The Crow Family

My sincere condolences to the family, she was a lovely person. I will cherish the memories of hanging out in the basement of the family home on 11th Avenue, listening to Alabama albums and doing home work. Heaven has another angel.

- Jason Burton
