

Chad Hancock

Aug. 12, 1972 ~ Aug. 11, 2021

To all of Chad's Family and especially for Dakota, Alessa, Aaron, Oaklee and Emma, and Tracy.....I am very sorry for the loss of your loved one. I never met Chad and spoke on the phone only once; however, from the posts and memories I have seen, and from mentions by Dakota and Alessa, Chad was a really special fellow. I do understand your loss, shock and grief, and I will pray for the day when you are all able to be thankful for having him with you on Earth and look forward to meeting one day in Heaven. With sympathy and love in my heart for each of you. Grah Phelps

Chad will be missed greatly! He was a vibrant, fun-loving person who brought a laugh and a smile. He had a new one-line remark for nearly anything everyday. His work ethic was an example to coworkers and his supervisors. May God bless and comfort all his loved ones.

This breaks my heart. Working for him was always an adventure. I'm sure everyone has a funny Chad story. He will be missed.

I am so sorry to hear of Chad's passing. I had the privilege to work with him on Dry Creek's 401(k) plan. He was smart, patient, understanding, and most of all, kind. I will miss working with him.
