

Beverly Boley Lee

December 27, 1928 ~ January 20, 2025

So sorry for your loss. I know you had a wonderful relationship and shared many joyful years. My prayers and warm wishes for your peace and blessed memories. Love, Barbara

I knew her only through a few of interactions at church, but I could always feel her kind heart and strong spirit that she carried with her. What a wonderfully strong and loving person. Will always be grateful to have known her.
