Dear Strong family, Bruce and I are so saddened to hear of Annie's passing. She was without doubt one of the nicest and most welcoming people we've ever had the pleasure to call family. We are so impressed by the loving way your family circled the wagons in her last days, a real testament to Annie's greatest creation. We surround you with love and support, even from far away. Dearest Rick, You will not know who I am, but I remember meeting Ann at Grandma Ida's home when you were engaged. I thought she was so lovely. I am truly so sorry.

My dear friend of 51 years was uniquely warm and wonderful. We shared so many joyful lunches and movie dates and conversations about our children and our lives. I will always cherish our years of friendship and her beautiful smile and laugh. Thinking of the Strong family with sympathy and love.

Snickerdoodles, chocolate chip cookies and love for her friends & family!! Doesn't get any better than that! Your mom sounds like she was such a wonderful human being! So sorry for your loss Amy and family.
