

Beverly Carol McComb Goff

February 2, 1926 ~ December 17, 2020

Please accept our warmest condolences for your loss. Bev's travels have inspired many to stay curious about this world. Bev's smile was always inviting and sincere. She raised a wonderful family who will continue her legacy of exploration and tolerance.

Your Mother was/is an incredibly person. We had no idea of all that she accomplished and all the things she was interested in. We know she raised two beautiful girls who have became remarkable women. May your happy memories out weight your greif.
