

Ann Memmott Oldroyd

May 25, 1931 ~ July 19, 2025

Aunt Ann lived a long life and did a lot of good things. I'm glad she's at peace and getting to see her family especially Susan. I was at Grandma Oldroyds when you came in with the news. Heartbreaking. Comfort and love to all of you. Jean

I'm so sorry about Aunt Ann's passing. I always loved visiting Aunt Ann. I loved hearing her stories and memories about Grandpa Memmott. She was so good to my mother after their father passed and my mom loved going to institute classes with Aunt Ann when my parents lived in the SLC area. We Kiggins cousins are our thinking about and praying for our Oldroyd cousins. We love you.
