

David Herbert Van Langeveld

February 6, 1941 ~ April 24, 2024

Dave was a force in the Greater Avenues Community Council. It is largely because of Dave's urging that I became Chair in 2014 and made many good friends in the community. His service was obviously contagious and his great mark in this life. We are all the better for Dave having devoted his time to the neighborhood.

We are so sorry to hear of Dave's passing. Richard loved home teaching with him. So many fun activities together, plays, Yosemite, San Diego, etc. We wish we could be there to celebrate his life. We loved him so much and we love you Jill. Love Richard and Bobby Casper

Jill, Dave was a great comrade for me in the Association. He was so wise and supportive during my service as President of SLEA. I will miss him and we were always stronger when he was with us. I’m so sorry for your loss. I will keep you and your family in my thoughts and prayers.■■

I am so sorry to hear of Dave passing. He is the husband of one of my favorite cousins. And Jill, I know a little bit of what you’re going through. I love you. Randall.

Wonderful memories of being friends and neighbors on Northcliff Drive. Whether in Carlsbad, California or St George, Utah Dave and Jill always took the time to visit with us sharing family news and memories of mutual friends.

We’re so sorry to hear this Jill. What a beautiful obituary. He lived a very full life. Pleas let us know if we can do anything for you.

Jill, I am so sad to hear of Dave's passing . Thanks to the GACC I got to know Dave late in life and highly respected our friendship. He was a great person, a great asset to the GACC, and a great individual in politics where on occasion we would meet. I have missed him lately at our meetings and knew that he was struggling, and hoped that he would improve, but unfortunately it seems he just couldn't get to our meetings any more. Please accept my most profound condolences and he was a great man who will be sorely missed.

I’m so sorry for your loss. Our thoughts and prayers are with you.

Thank you for letting us know about Dave’s Passing. Our heartfelt condolences go out to you and your family. We have a lot of great memories of you both from our own marriage, your visit to us in Erie, Pennsylvania, playing chess with Dave as missionary companions, to your wonderful and delicious rice raffle dinners. May the Lord be with you all during this difficult time and remember, it’s only a short separation until we all will be together again on the other side! Sending you all our love, Rich & Di Overduyn

It's with sadness that I've heard of Dave's passing. I appreciated knowing him after he retired as the UEA-Retired President. There were many things I admired about him, calmness, intelligence, drive, and passion. As the current president of UEA-R, I wanted to offer my condolences to your family but also express my thanks for all the work he did with the association and willingness to start and help establish UEA-R. We are still building upon his shoulders. He is missed.

Oh Jill! My love and sympathy to you and your family. Dave was such a great mentor to me with the Davis Education Association. He saved me when I become DEA President with the vacancy of Ellen Thompson being elected as UEA Vice President and he accepted the appointment to be my vice president at DEA. His past experience as DEA President helped me so much. He was a friend and example and through our DEA travels it was so great to get to know you, too. With my sincere love and respect to both of you!

- Susan Firmage

Dave was a tremendous asset to the DEA, both as an elected leader, Board Member, Negotiations Committee, Political Action Committee and a great personal friend. While I hadn’t heard this news until now, I am receiving it while visiting his “homeland” during a trip to the Netherlands ■■. Blessings to you, Jill. Vik Arnold
