I remember Deb as being kind and funny. She was a loving mother and good friend. She would drive to my house and pick me up for Jazzercise at the Ward building in Mesquite, TX. We lost touch over the years but I will always have very fond memories of her and her sweet family.

Deb was a joy too have in my life. With all her trials and issues she had in her life. She seemed to push them aside . Even though I could be her grandmother, she always made me feel young. She was her own person. Deb was one of a kind. Bless her family, and now it's time to remember all those special memories. Sincerely, Barbara Lewis. ♥■

Dear John and family, Please accept our heartfelt condolences concerning the passing away of Deb. She is in the Lord's eternally loving arms, while being reunited with family and friends on the other side of the veil. We feel privileged to have known her. She will be greatly missed by many people. May the Lord's blessings of abiding love, incomprehensible peace, and comforting solace sustain your family during this difficult time of mourning. Sincerely, Clyde and Amélia Triptow

Brother Koerner, I am so sorry to hear of Deb's passing. She was THE sweetest person. She encouraged me in so many ways with her words and her art. I still have something she drew for me when I first became Young Womens President many years ago. She helped keep me going when I needed encouragement. I loved her so much and will never forget her. Her heart was so big. I pray that peace and comfort will surround your family during this very sad time.

I am heartbroken to learn of Deb's passing. It's hard to put into words how much I loved her. We bonded over our love of jewelry and fine art. I'm grateful that I got to spend some time with her when I visited Salt Lake City a couple of years ago. I will miss her until we meet again.
