My condolences to his family. I am in Denver but had connections with Kurt many times in many situations and I appreciated working with him. Also, he was always a good person to be around. He was a very fine person.

So sorry to learn of Kurt’s passing today. Ann and I have heavy hearts, and send our deepest condolences to Sue and your entire family. May you all find peace in the promises of the everlasting gospel made possible by our Savior Jesus Christ. Unfortunately we won’t be able to join with you Monday, we are out of town.

I was so sad to learn of Kurt’s passing. He was a wonderful friend of mine in high school. We had many great conversations about everything under the sun and grew to be close friends. Kurtis was always a gentlemen, kind and never said an unkind word about anyone. The only time I saw Kurtis after our South High graduation was when he came to pay his respects at my mother’s viewing. My sincere condolences to Margaret and your family. I don’t know you, but I know you had a wonderful husband, father and grandfather and will miss him very much. May God's blessings be with your family at this difficult time.

- Lorraine Yospe Starkie

Susan, Barbara Gull sent me a message today about your husband's passing. I am so sorry for your loss. I was able to listen to the message about his life and your six children and many grandchildren, which I'm sure bless your life. You have been an amazing friend as we made our way through early school years. I wanted to send my sincere condolence for your loss. I am in St. George, so I won't be attending services, but I will keep you in my prayers. With love, Joyce

- Joyce Ahleen Sibbett

Susan and Family I'm so very sorry for loss. Kurt was a great mentor to me. He was always kind, gracious, and a stickler for detail. I saw his devotion to family. If he wasn't at work we knew he was probably at a volleyball game or some other family event. John & Maribeth
