Dear Family I don't recall your mother. I was raised in Pagosa and reside here. My daughter saw the obituary and Pagosa Springs and emailed asking if I knew your mother What a loving tribute to your Momma, I know I would have been blessed to have known her. God's Blessings to all of you and I know that she will be in your memories .

I'm so sorry to hear of Dolores's passing. She was the best friend and neighbor a person could have. We had great times going to the DI, or to classes at the U, or just visiting on the phone. Rest in peace, Dear Friend.

My deepest sympathies and condolences to the Morales family on the loss of your family matriarch. I remember playing at their house as a child and the way she would always keep us on our Ps and Q's, and had no problem walking us home(2 whole houses away, smile) if we lost track of time and played past curfew, she saved me from a few punishments(for which I was always grateful. She was such a fun lady and a great cook. Keeping your family in my thoughts and prayers, LaPedra Etherly and family

My sister Dolores was an amazing sister/woman. A lady that shared her love for each and everyone of us. She sincerely cared about everyone. I have always been proud of my sister. I was glad that my sisters Patsy, Priscilla, Linda and I were able to assist her in her last few months in her house. She was still as witty, beautiful and talkative. We were able to laugh with her and listen to her stories. I want to thank everyone that came to support our family in this time of sadness. I will miss seeing your beautiful smile with those dimples. I know that my sister is resting in peace, God bless you sis and God bless us.
