I will truly miss our summertime evening chats when I would be out walking my dog and Annette and I would have one of our horse appreciation chats that only us horse lovers would understand. We would discuss everything from her recent trail ride adventures to grooming and even the soft nuzzle and love only a horse can give. I loved her warm loving ways that one always could feel just by having been in her presence . May Heavenly Father bless her family and may they always feel her by their side. Annette, till we meet again.

Nicole and Garret, I was very saddened to hear that your mom had passed! I served in the Relief Society Presidency with her. I have many memories from those years! Losing a mom is extremely hard! I know there are no words that can ease your pain, but I am thinking of you during this difficult time. I can't attend the viewing, but know that I send healing prayers and comfort to each of you!
