Terry so sorry for your loss. I loved working with him. Will be missed.

- Bonnie Sorensen

Terry.... it just occurred to me today when I hadn't heard back from Brad that something might have happened to him. My sincerest condolences to you for your loss! I hope it's not too late for this message to get to you because I want to share that I recognized how happy you made Brad in his life and that is really something to hold dear to your heart!■ Hugs MaryJo
