The Angels picked a flower from Life's Garden just today. A fragile, wilted Lily with petals worn and frayed. They gently placed the flower in a shiny, golden vase. In Heaven's Eternal Garden he finally found a place. He grows there in the garden now with ample sun and shade. Memories of early life have fast began to fade. Nurtured by God's loving hand and sheltered from the wind. His petals glow with Heaven's light as he blossoms once again. So sorry for your loss.

This was a hard week. I am forever grateful for all of our memories. I am grateful for my cousins and that I grew up with them as my best friends. Brent was such a peacekeeper…just an amazing human. This work is better because of him. Love you all! Love, Travis, Bryn, Noah, Ethan and Gabe.
