Dear Jackie and family, I am so sorry to hear about Brent’s passing, both Rich and I really loved both of you. Rich really enjoyed the visits.he had whether in the street, in your home or our home. We especially appreciated when Brent would come and visit with Rich when Rich was so ill, it reallly cheered both of us up. My love and prayers are with all of you at this tender, emotional time. The sorrow we feel is equal to the love we have for him. Missing him until we meet again.
