

Brett Farr Lees

January 16, 1949 ~ February 3, 2025

I would like to express my sincere sorrow for the loss of Brett Lees. Brett was a fine of a man as I ever met, he was honest to a fault. In honor of the live he lived, we will be contributing to an animal rescue in Brett's name.

Lees Family, I've had the pleasure of meeting Tyler and the Enviropax team as part of my role with Nord. I recently heard the sad news about Brett. Although I didn't have the opportunity to meet him personally, I understand Brett was a valued customer of Nord for over 20 years, and he left a positive impression on everyone who knew him. Please accept my deepest condolences to you, Tyler, and your family. You have my thoughts and support during this difficult time. May Brett rest in peace.
