June 14, 1959 ~ March 7, 2025

I'm broken hearted to learn Bruce has left us. He was one of the best co-workers anyone could have wished for. He was also a great friend. Though I have not seen him since I retired, he was always close at heart. Love you Bruce.

I am truly blessed to have been your work partner at Pelican Bay for several years. The world lost a wonderful person and heaven, gained an amazing angel. Prayers and condolences to his wife and family. Your presence will be sadly missed. Till we meet again, RIP my brother.

Bruce was a known presence ! A smiling tease - never to be forgotten. Bruce secured the heart of my dear friend Kris. Ohh, what a beautiful family. I believe Bruce will insist on a vigilant continued love and watch care over his precious family. God bless the Stacey family with comfort, sweet peace and joy❣■ Much love, ❤■ Leslie McLean

Bruce I am saddened by your passing. I loved seeing your gruff side in the daily passing at Pelican Bay. You were a hard working down to earth Officer who was admired by so many of your peers. I loved our conversations at the hospital coverage. You taught me to be a better parent And yes I gave him the keys back. I hope your basking in paradise with our lord. May your family be blessed with strength and peace during this time of difficulty. You will be missed by all who knew you. RIP BROTHER.
