Dear family, our deepest sympathy goes out to you during this difficult time. Artie was a true Hero. I miss our daily talks as he would walk through the neighbor hood. I enjoyed learning from his wisdom. He will truly be missed. Tim & Shellie

My sympathies go out to the Hunter clan for the loss of their loved one. I pray that they will all reflect on great life Arite lived here on earth, and never forget his unwaivering committment to his family and the people of this world. It has been one of the great blessings in my life to have had Artie as a friend and confidant. He was truly one of the great men that has lived on this earth. The Savior was his constant guide. I will miss the relationship we shared during the 30+ years I have lived in Sandy, and the many miles we walked together throughout our neighborhood. I love the man, and know that he has now entered into the rest that he truly deserves.

"Artie" Hunter, one of my favorite people on the planet. My friend, my teacher and my confidant. The world is a smaller place without him. He was loved.

A terrific human being, neighbor, and friend to all. Nice recap of his lifetime service, friendliness, and good will - taking life’s blessings and burdens in stride. We would do well to walk about with a bit of Artie in our hearts and in our hands. ■

I recently saw an obituary for Artie Hunter. He was a terrific person and a good friend of my parents and extended family. He was Stake President of the Newberry Park Stake in CA when he spoke at my dad’s funeral back in 1981. He was my Seminary teacher when I began high school. He had a wonderful sense of humor with the right combination of spirituality. On behalf of me and my siblings we extend our condolences to Randy, Karen and family
