

Burton Royal Pett

October 14, 1930 ~ August 28, 2025

We are so sorry to hear this sad news about Burt. He was a wonderful friend who was a great example of everything good. We loved being in the same Oak Grove ll Ward in California. He always had a smile, a kind word and worked hard behind the scenes. We were so blessed to be neighbors and friends with him, Carol and their girls. We love and appreciate this wonderful family.

Carol and family, I was sorry to hear of Burts's passing and send my love to you as you mourn his departure from this world. No matter how long someone lives it's never long enough for us left behind. We know he is going to be missed by many along with your family. I and my brother Jon thank you both for your friendship to our parents over the years!

Dear Carol I was saddened to learn of Burt's passing and am grateful you let me know. You are right that he was a great friend and help to me as we served together. His perspective and wisdom were evident and much valued. I regret not being to attend his services personally as we will be out of town. But please accept much love to you and your family.
